

The Legend Lives™

The "Cattlebrands of Jackson Hole" are one-of-a-kind examples of the gun makers art featuring deep relief carved ivory and ruby eyes. See our website for details.

*H*erloom Quality - Made the Old Fashioned Way- by Skilled Hands.

*T*he USFA Custom Gun Shop is ready for your custom order. No detail is left to chance, everything you would expect from fine hand engraving in classic styles to high grade select walnut.

*A*ttention to every detail . . . for those who demand the best in their shooting lives. The experienced sportsmen and collector appreciate details of construction and the steps necessary to produce the most historic, most authentic revolvers and rifles today.
